FRIENDSHIP MEAL UPDATE

To Estelle and the other members of Presbyterian Women of 1st Presbyterian Church of Boise: THANK YOU for the kind and generous donation to the Friendship Dinners!

We served 45 guests and 10 volunteers last night. As usual, someone (always a different person) one, thanked us and said it is the best one of all the community meals that they go to.

- FIRST LIGHT - EARLY WORSHIP SERVICE

You can catch our First Light worship service Sundays at 8:45 a.m. in Lindsay Hall. The service features informal praise, prayer, and conversations on scripture with a coffee-house feel.

Bring a mug (or borrow one of ours) and come as you are as we worship together.

The service is led by the FPC Praise Team - Andrew, Katey, Tyler & the Praise Band.

So if you prefer your worship in the early morning and you lean towards enriching your Sunday morning in a informal and casual way, we have a service for you!

See you on Sunday (morning)!

NEWSLETTER MONTHLY

During the summer months, this newsletter will be delivered monthly. During this time, look for emails highlighting upcoming events & news.

DAVINA CUMMOCK

Davina (da-vee'-nah) "Dee" Cummock
October, 22, 1916 – August 1983

Dee Cummock bequeathed an endowment to the First Presbyterian Church of Boise which continues to provide quarterly income for church operations. We ask any members or friends who may have known her or her family to provide the church office staff with more information about her.

We do know that Dee was originally from Weiser, Idaho, and may have also lived in Cambridge, Idaho. There are stories of "people visiting" the church in the 1920s and 1930s that include her parents or she herself.

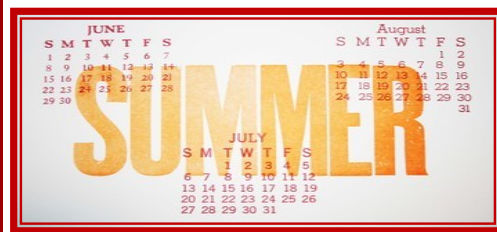

At some point, Dee moved to Boise and worked there until retirement. She lived in the house which still stands at 512 N 13th street and is now the Burkett Law Office. After retirement, she established a store for tall women's clothing in the living room of her house. By that time, her mother lived with her and helped in the shop. Marilyn Fordham recalls buying clothes from Dee during the 1960s. After about a decade, poor health forced Dee to close the shop.

Dee was 6' tall, striking looking, and a skilled businesswoman. She attended First Presbyterian Church regularly during the years she ran the shop and joined the church in 1980. She never mentioned having married or having had children, so we do not know if there are heirs who might help us know more about her.
