

HIGHLIGHTS FROM THE STATED MEETING OF THE PRESBYTERY OF BOISE

August 19, 2017 – King Hill Presbyterian Church

Thanks to all the good folks at King Hill who provided such a warm welcome and a great lunch.

Opening worship was led by Pastor Marty Geisel and several members of the church including special music. Evelyn Cates accompanied hymns on the piano. Marty's sermon entitled "Stepping Up" was inspirational.

We learned from Joey Mills (CRE) that the Presbyterian Care Center in Ontario has closed. The center as you might guess from its name had a long and close relationship to the Bethany church and was started with Presbytery mission funding.

Elder Randy Marshall (Southminster) was elected to serve as Elder Commissioner to the Synod of the Pacific for a 3-year term.

The Presbyter approved the transfer of the Rev. Nina Westfall to the Presbytery of South Dakota to accept a call from the First Presbyterian Church of Brookings.

The Rev. Bruce Swanson was approved as the moderator of the session of First Presbyterian Church, Homedale.

The following were approved as our ordination examination readers: Heidi Smith and Joey Mills with Ruth Goldthwaite and Carolyn Rees as alternates.

Registration for the Fall Retreat of the Presbyterian Women of the Presbytery closes on Sept 20. The retreat (Oct 6-8) will be held at the Nazareth Retreat Center in Boise and costs only \$100.00. For information contact Priscilla Oja at pojaidaho@aol.com.

Our Synod Commissioners reported that the Synod Executive search committee will be presenting their nomination at the Oct meeting of the Presbytery.

Liz Ryder (MWS and Hospital Chaplin) presented an "End of Life Education Program" that will be offered to the Presbytery by our fine group of chaplains in validated ministry. The Presbytery approved Liz applying to the Synod for a grant to help support this program.
